

Privacy Policy

In this Privacy Policy, 'us' 'we' or 'our' means Vanessa Stephens t/as TechDoll (ABN 34 116 123 359).

We are committed to respecting your privacy. Our Privacy Policy sets out how we collect, use, store and disclose your personal information in accordance with the Australian Privacy Principles contained in the *Privacy Act 1988* (Cth) (**Privacy Act**).

By providing personal information to us, you consent to our collection, use and disclosure of your personal information in accordance with this Privacy Policy and any other arrangements that apply between us. We may change our Privacy Policy from time to time by publishing changes to it on our website. We encourage you to check our website periodically to ensure that you are aware of our current Privacy Policy.

Personal information includes information or an opinion about an individual that is reasonably identifiable. For example, this may include your name, age, gender, postcode and contact details.

What personal information do we collect?

We may collect the following types of personal information:

- your name, mailing or street address, email address, telephone number and other contact details;
- your demographic information (including your age, gender and/or date of birth);
- your device ID, device type, geo-location information, computer and connection information, statistics on page views, traffic to and from the sites, ad data, IP address and standard web log information;
- details of the products and services we have provided to you or that you have enquired about, including any additional information necessary to deliver those products and services and respond to your enquiries;
- any additional information relating to you that you provide to us directly or indirectly through our website or mobile app or through any other websites or accounts from which you permit us to collect personal information;
- personal information you provide to us through customer surveys; or
- any other personal information that may be required in order to facilitate your dealings with us.

We may collect these types of personal information either directly from you, or from third parties.

We may collect this information when you:

- register to use our website or mobile apps;
- communicate with us through correspondence, chats, email, or when you share information with us from other social applications, services or websites;
- interact with our sites, mobile apps, services, content and advertising; or
- invest in our business or enquire as to a potential purchase in our business.

Why do we collect, use and disclose personal information?

We may collect, hold, use and disclose your personal information for the following purposes:

- to enable you to access and use our website, mobile app and/or services;
- to operate, protect, improve and optimise our website, mobile app, services and users' experience - such as to perform analytics, conduct research and for advertising and marketing;

- to send you service, support and administrative messages, reminders, technical notices, updates, security alerts, and information requested by you;
- to send you marketing and promotional messages and other information that may be of interest to you;
- to administer rewards, surveys, contests, or other promotional activities or events sponsored or managed by us or our business partners; and
- to comply with our legal obligations, resolve any disputes that we may have with any of our users, and enforce our agreements with third parties.

We may also disclose your personal information to a trusted third party who also holds other information about you. This third party may combine that information in order to enable it and us to develop anonymised consumer insights so that we can better understand your preferences and interests, personalise your experience and enhance the products and services that you receive.

Do we use your personal information for direct marketing?

We may send you direct marketing communications and information about our service and/or products. This may take the form of emails, SMS, mail or other forms of communication. You may opt-out of receiving marketing materials from us by contacting us using the details set out below or by using the opt-out facilities provided (eg an unsubscribe link).

To whom do we disclose your personal information?

We may disclose personal information for the purposes described in this Privacy Policy to:

- third party suppliers and service providers, that we rely on to operate our website and mobile app and otherwise provide services to our users;
- professional advisers, dealers and agents;
- payment systems operators – such third-party merchants receiving your credit card payments;
- our existing or potential agents, business partners or partners;
- our sponsors or promoters of any competition that we conduct via our services;
- anyone to whom our assets or businesses (or any part of them) are transferred;
- specific third parties authorised by you to receive information held by us; and/or
- other persons, including government agencies, regulatory bodies and law enforcement agencies, or as required, authorised or permitted by law.

Disclosure of personal information outside Australia

We may disclose personal information outside of Australia to third party suppliers of information technology service providers located in India.

When you provide your personal information to us, you consent to the disclosure of your information outside of Australia and acknowledge that we are not required to ensure that overseas recipients handle that personal information in compliance with the Privacy Act. We will, however, take reasonable steps to ensure that any overseas recipient will deal with such personal information in a way that is consistent with the Privacy Act (including the Australian Privacy Principles).

Using our website and mobile app, and cookies

We may collect personal information about you when you use and access our website and/or mobile app. While we do not use browsing information to identify you personally, we may record certain information

about your use of our website and/or mobile app, such as which pages you visit, the time and date of your visit and the internet protocol address assigned to your computer.

We may also use 'cookies' or other similar tracking technologies on our website that help us track your website and/or mobile app usage and remember your preferences. Cookies are small files that store information on your computer, mobile phone or other device. They enable the entity that put the cookie on your device to recognise you across different websites, services, devices and/or browsing sessions. You can disable cookies, but our website and/or mobile app may not work as intended for you if you do so.

We may also use cookies to enable us to collect data that may include personal information. For example, where a cookie is linked to your account, it will be considered personal information under the Privacy Act. We will handle any personal information collected by cookies in the same way that we handle all other personal information as described in this Privacy Policy.

Security

We may hold your personal information in either electronic or hard copy form. We take reasonable steps to protect your personal information from misuse, interference and loss, as well as unauthorised access, modification or disclosure and we use a number of physical, administrative, personnel and technical measures to protect your personal information. These reasonable steps include implementing AWS standard encryption and 64-bit encryption of stored personal information.

However, we cannot guarantee the security of your personal information.

Links

Our website and mobile app may contain links to websites operated by third parties. Those links are provided for convenience and may not remain current or be maintained. Unless expressly stated otherwise, we are not responsible for the privacy practices of, or any content on, those linked websites, and have no control over or rights in those linked websites. The privacy policies and other terms that apply to those other websites may differ substantially from our Privacy Policy, so we encourage individuals to read them before using those websites.

Accessing or correcting your personal information

You can access the personal information we hold about you by contacting us using the below contact information. Sometimes, we may not be able to provide you with access to all of your personal information and, where this is the case, we will tell you why. We may also need to verify your identity when you request your personal information.

If you think that any personal information we hold about you is inaccurate, out of date, incomplete, irrelevant or misleading, please contact us using the below contact information and we will take reasonable steps to ensure that it is corrected.

Making a complaint

If you think we have breached the Privacy Act, or you wish to make a complaint about the way we have handled your personal information, you can contact us about your complaint using the below contact information. Please include your name, email address and/or telephone number and clearly describe your complaint. We will acknowledge your complaint and respond to you regarding your complaint within a reasonable period of time. If you think that we have failed to resolve the complaint satisfactorily, please let us know and we will provide you with information about the further steps you can take.
